

Carl Luke Camera Club Member's Workshops

Session 2018-2019

Please bear with us, this year, these workshops are a bit of change from our previous format, so it may take a little time to find the ideal balance. This format of workshop also requires you to bring along images details will be given well in advance of each Workshop night.

Week 1 (1st Oct) – Projected Digital Image Help and Critique

This is just in time for first Digital Hand-In 5th Oct

(Future help nights will have more time before the Competition Hand-In).

We will cover anything from 'How to select your stronger image' – 'Help with Techniques' – 'Help with Entry Process'

This is aimed at all levels – we will start at Beginner level and end at League 1

Week 2 (8th Oct) – Colour Printing Help and Critique

This is in time for first Colour Print Hand-In 19th Oct.

We will cover anything from 'How to select your stronger image for Colour Printing' – 'Help with Printing Process' – 'Help with Contrast Control' – 'Help with the Entry Process for prints'

This is aimed at all levels – we will start at Beginner level and end at League 1

Week 3 - 15th Oct – Adjustments and Adjustment Layers – Bring along a couple of Images for tweaking (Chris)

Week 4 - 22nd Oct – Mono Printing Help and Critique

This is in time for first Mono Print Hand-In 2nd Nov.

We will cover anything from 'How to select your stronger image for a Monochrome Print' – 'Help with Printing Mono' – 'Help with Contrast Control'

This is aimed at all levels – we will start at Beginner level and end at League 1
